

FOOD CERTIFICATION COURSES

*Offered in the
San Luis Obispo County Area*

All food facilities are required to have at least one certified food safety employee on staff at all times. The certificates are valid for three years from the date of issuance and must be kept on file at the food facility. Operators needing to certify or re-certify employees may contact the providers listed below to obtain class schedules.

Please be aware that San Luis Obispo County is not authorized to provide certified food safety training, administer the certification exam or issue certificates.

Several training & examination options are available, including but not limited to the following: (This is not to be considered an endorsement of any provider)

Provider	Phone #	Web Address
